

[Verse 1: Ryan Reynolds, Will Ferrell]

I used to think that I was sure  
Of what made people tick  
You strip 'em down right to their core  
And find a self-centered prick  
I thought when the push came to the  
shove

I knew just what I'd do

I'd put me before you

But you didn't

I guess I didn't

[Pre-Chorus: Ryan Reynolds, Will  
Ferrell]

You can be a cynic and a sinner  
Who can only see the flaws  
But even if you lost your way  
You don't have to stay a lost cause

[Chorus: Ryan Reynolds, Will Ferrell,  
Both]

So can we do a little good?

Maybe give a little more?

It's an everyday decision

Two steps forward, one step back

But if you try to do what's right

You're on the right track

[Chorus: All, Ryan Reynolds & Will  
Ferrell]

So try to do a little good

Maybe give a little more

Work a little harder than you did the  
day before (Work a little harder)

It only takes a little good

And some doin' what you can

Takin' every chance to make the

choice to help your fellow man

[Post-Chorus: All]

So do a little good (Hey)

Just a little, just a little, just a little

(Hey, hey)

Work a little harder than we did the  
day before

It only takes a little good

And some doin' what you can

Takin' every chance to make the  
choice to be a better man

So do a little good

[Verse 2: Will Ferrell, Ryan Reynolds]

Well, I have spent each Christmas  
Day

Obsessed with wrong and right

You thought change could only work  
one way

It had to happen in one night

But now you know, oh, now you know

The line of good and bad is not so  
clean

And what we are is somethin' in-  
between

[Pre-Chorus: Patrick Page, Will  
Ferrell, Sunita Mani, Tracy Morgan]

[Bridge: All]

Maybe there's no magic wand

Maybe there's no switch to flip (Oh)

Some days you may soar beyond

Some days you may soar beyond

And some days you start to slip

[Pre-Chorus: All]

You can give the world some good

In the daily give-and-take

With every ripple, ripple, ripple that  
you make

[Chorus: All, Ryan Reynolds & Will  
Ferrell]

Do a little good (Do a little good)

Maybe give a little more (Give a little  
more)

Work a little harder than you did the  
day before (Doin' the world a little  
good)

It only takes a little good (Just a  
little good)

And some doin' what you can (Do  
what you can)

Takin' every chance to make the  
choice to help your fellow man,  
yeah

[Bridge: Will Ferrell, Ryan  
Reynolds, All]

And whether it's Christmas Day  
Or a random day in May (Or a day  
in May)

You're gonna wanna say  
That you tried the best you could  
And a little is enough

A little is enough, a little is enough

[Outro: Both, Ryan Reynolds, Will  
Ferrell, (All)]

So do a little good (Hey)  
(Just a little, just a little, just a little)  
Do a little good, do a little good (Do  
a little good)

(Maybe there's no magic wand)

Do a little good

(Just a little, just a little, just a little)

(Ripple, ripple)

Give a little more (Do a little good)

Some days you may soar beyond

(Just a little, just a little, just a little)

(Ripple, ripple)

(Do a little good)

Do a little good
