

I give thanks to You my Heavenly Father

2x You've given me such good things

I give You all my thanks

For seals and squids

And great blue whales

For slugs and spiders

And a bucket of snails

I give You thanks

For all that You've made

The wonders of creation

Everywhere displayed

I give thanks to You my Heavenly Father

2x You've given me such good things

I give You all my thanks

Prunes and pizza

Stir-fry, stew

Chocolate and jelly

All come from You

You feed me, You clothe me

Watch over my sleep

'Cause You are my shepherd

And I am Your sheep

I give thanks to You my Heavenly Father

2x You've given me such good things

I give You all my thanks

Father God

In heaven above

You're holy and just

With amazing love

You're merciful and kind

And You love to forgive

Being Your child

Is the only way to live

Drum solo

I give thanks to You my Heavenly Father

3x You've given me such good things

I give You all my thanks
